

Design-a-Flag

We want you to come up with your very own flag. You can draw and colour whatever you want on it, then cut it out and display it.

The idea of flying flags grew from the requirements to identify Friend or Foe. An emblem such as a shield, animal or religious device was attached to the pole for identification.

According to Ancient and Heraldic traditions much symbolism is associated with colors.

Yellow Flags - a symbol of generosity

White Flags - peace and honesty

Red Flags - hardiness, bravery, strength & valour

Blue Flags - vigilance, truth and loyalty, perseverance & justice

Green Flags - hope, joy and love and in many cultures have a sacred significance

Black Flags - determination and often reflects the ethnic heritage of the people

So have fun and get creative
